OFFICE OF ~~the SECRETARY TO GOVT OF MYSORE~~ the INSPECTOR OF [illegible]
~~EDUCATIONAL DEPARTMENT,~~
~~Bangalore,~~ Mysore, 27th January 1896.

From

H J BHABHA Esq
~~Secretary to the Govt of Mysore~~
~~Educational Department~~ Inspector

To

The General Secretary to the
Government of Mysore,
Bangalore

53 of 95
Edn 52 1

Sir,

I have the honour to inform you that the Anglo-Vernacular School at Tirthahalli was until lately held in an old and dilapidated building belonging to the chief temple of the place. The building was pronounced to be utterly unsafe for holding a school. As no other building public or private was available for the school the Deputy Commissioner of the Shimoga District was good enough to place at the disposal of this Department temporarily for a month or two, the Musafarkhana where the school is located at present. The present strength of the school is 140 and there is a prospect of the attendance rising hereafter. The work of the school suffers considerably and its progress is retarded from want of a suitable schoolhouse. It is absolutely necessary to erect a new schoolbuilding

at Tirthahalli of which the estimated cost is Rs 8756 inclusive of the establishment charges of the Public Works Department at 10 per cent A site has been selected after the personal inspection of the Inspector General of Education for the school A sum of Rs 2154-10-0 is available as a contribution from the Jubilee Fund towards the cost of the Tirthahalli School building according to Proceedings of the Government of Mysore (Educational) C No 225-28 dated the 24th June 1895 It is expected that this amount will suffice for the work that can be carried out during the current year, and the balance required may be provided in the Educational State Funds Budget for the next official year 1896-7

Provided &c

2 Under these circumstances I have the honour to request that Government may be pleased to sanction the utilisation of the sum of Rs 2154-10-0 from the Jubilee Fund for constructing a new building which is very urgently wanted for the Anglo-Vernacular School at Tirthahalli The plan and estimate which have been furnished by the Executive Engineer, Shimoga Division in accordance with my instructions are herewith enclosed for reference and obliging return

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha

MYSORE P W DEPARTMENT,
CENTRAL OFFICE,
Bangalore 24th February 1896

24

From

The Secretary to the Government of Mysore,
P W Department

To

The Executive Engineer,
Shimoga Division

In forwarding the enclosed copy of Government Proceedings No. 9445-4 / 26 258 of 4th instant together with estimate for Constructing Anglo-Vernacular School at Thirthalli duly sanctioned for Rupees 8,750/- as correct in this office, request the Executive Engineer will be good enough to have the work put in hand at once —

II —— It will be seen from above Proceedings that an appropriation of Rupees 2,155/- has been made for the work for this year —

III —— The Chief Engineer would prefer to have the pillars to Verandah arches 6" higher, and drain pipes should be provided for drainage of the terraces —

IV —— The rate of Rupees 35/- provided for terracing appears to be very high It has been passed provisionally pending submission of necessary data, with explanation as to the necessity for the increased rate —

(Signed) W McCandlish
